SMART HOME WiFi siren, white

With the DELTACO SMART HOME app, you take care of all handling for the siren. The installation is fast and smooth, all you need is a working wireless network, ie. no special hubs or gateways. In the DELTACO SMART HOME app, you can control devices individually or divide them into different rooms for easy handling of a group. In addition to turning the siren on and off, you can also choose noise level or use the timer function. Alternatively, you can schedule specific times when it should be on or off. The DELTACO SMART HOME app also provides the ability to create automatic actions. The DELTACO SMART HOME app is of course available to download for free for both Android and iOS.
