DELTACO

- WiFi 2.4GHz 802.11b / g / n
- Adjustable color temperature 1800K-6500K

SMART HOME LED filament lamp, E14, WiFI 2.4GHz, 4.5W, 400lm, dimmable, 220-240V, white

With the DELTACO SMART HOME app you take care of all the handling of the lamp. Installation is quick and easy, all you need is a functioning wireless network, ie. no special hubs or gateways. In the DELTACO SMART HOME app you can control individual lamps individually or divide them into different rooms to easily manage a group of lamps. In addition to switching on or off a lamp, you can also set a timer if you want the lamp to turn off after a certain time. Alternatively, you can schedule specific times when it should be on or off. The DELTACO SMART HOME app also offers the ability to create automatic actions. For example, the light comes on when the sun goes down, or if you want to group more lamps together to do the same thing at a given time. The DELTACO SMART HOME app is of course available for free download for both Android and iOS.

The SH-LFE14C35 can also be paired and voice-controlled together with Google Assistant or Amazon Alexa to easily integrate and become a part of the smart home.

SPECIFICATIONS
