- RGB 16 million colors, warm white to cold white 2700K-6500K

SMART HOME RGB LED light, E27, WiFi, 9W, 16m colors, white

With the DELTACO SMART HOME app you take care of all the handling of the lamp. Installation is quick and easy, all you need is a functioning wireless network, ie. no special hubs or gateways. In the DELTACO SMART HOME app you can control individual lamps individually or divide them into different rooms to easily manage a group of lamps. In addition to turning on or off, you can set the dimmer and color temperature to set a timer if you want the lamp to turn off after a certain time. Alternatively, you can schedule specific times when it should be on or off. The DELTACO SMART HOME app also offers the possibility to create automatic actions. For example, the light comes on when the sun goes down, or if you want to group more lamps together to do the same thing at a given time. The DELTACO SMART HOME app is of course available for free download for both Android and iOS.

The SH-LE27RGB can also be paired and voice-controlled together with Google Assistant or Amazon Alexa to easily integrate and become a part of the smart home.

SPECIFICATIONS

Product weight	0.13 kg
Color	White
Warranty	5 years
Socket	E27
RGB	1
Lumen	810 lm
Colour temperature	6500 K

LOGISTIC

Item number	SH-LE27RGB
Manufacturer part number	SH-LE27RGB
Country of origin	China
Sales unit bar code	7333048041920
Sales unit height	130 mm
Sales unit width	72 mm
Sales unit depth	72 mm
Sales unit gross weight	0.10 kg
Sales unit net weight	0.10 kg
Inner carton height	154 mm
Inner carton width	380 mm
Inner carton depth	145 mm
Inner carton weight	1.50 kg
Inner carton quantity	10
Master carton height	328 mm
Master carton width	400 mm
