

Solar-powered WIFI Alarm Intelligent PTZ Camera -ASC005 WIFI		
Pic		
Features	Equipped with a 3.5W solar panel that can be adjusted in all directions, and it has a built-in high-capacity lithium battery.	
	Ultra-low power consumption standby mode and can be quickly awakened in just 0.2 seconds.	
	PIR Human Motion Detection + AI Human Shape Detection Alarm	
	Utilizes high-performance ISP (Image Signal Processor) and a 1/2.7" low-light image sensor.	
	High-definition video: 3MP 2048*1536	
	Built-in microphone and speaker, supports two-way voice communication	
	Supports cloud storage + local storage	
	App supports Android and iOS	
	IP65 outdoor waterproof rating	
	Solar panel can be installed as an integrated unit or as a separate unit	
Model	ASC005-WIFI	
Specs	Resolution	3MP
	Pixels	2048*1536
	Main control chip	Ingenic-T31ZL
	Image sensor	GC2063
	APP operating system	Android,IOS
	Compression format	H.264+/H.265
Connectivity Options	WIFI	2.4 GHz WIFI
Alarm Modes	Detection mode	PIR Human Motion Detection + AI Human Shape Detection Alarm
	Detection distance	0-12M
	Detection angle	105°
	Alarm method	Real-time phone calling or push notification messages
PTZ (Pan-Tilt-Zoom)	Pan-tilt angle	Horizontal: 355°, Vertical: 100°
	Rotation speed	Horizontal speed: 55°/sec, Vertical speed: 40°/sec

Night Vision Mode	Full-color night vision	Illuminance: 0.00 LUX
	Infrared light	Infrared LED distance: 20m
	White light	White light LED distance: 20m
Sound	Built-in speaker	Power: 3W
	Built-in microphone	Listening range: 20m
Lens	Focal length	Lens: 2.8mm
	Angle	Angle: 105°
Storage	Cloud storage	Cloud storage (for alarm event recordings)
	Local storage	TF card support (up to 128GB)
Power Supply	Power supply mode	Solar panel + battery
	Solar panel material	Monocrystalline silicon
	Solar panel power	3.5W
	Battery capacity	Three 18650 batteries
	Maximum operating power	3W
	Standby power	0.003W
Others	Operating environment	Indoor/outdoor use
	Operating temperature	-30°~+60°
	Operating humidity	0%~90%RH
Packaging	Net weight	0.9kg
	Package dimensions	180*178*133
	Quantity per carton	12PCS
	Gross weight	11.5KG
	Carton dimensions	360*356*399mm
